

Travel Expenses and Love Offering

Concerning travel expenses: It is our desire to be a blessing to your church and ministry, not a burden in any way. I suggest \$250 in travel expenses and then a grocery allowance for our meals during the week. Heather will cook most of our meals in our trailer. We are not opposed to eating out or scheduling some meals with families in the church. We love to fellowship, but our busy schedules make it difficult to be in a set meal schedule every day.

Concerning our love offering: As noted in Brother Mike's preparation material, he request that the Thursday (Tuesday night if a Sunday - Wednesday meeting) night love offering be designated for us. If people are unable to be there on that night, it is fine for them to designate any night. We agreed upon this arrangement when we began to travel with the Pelletier's. God has always been faithful and we count it a great privilege to serve Him in this ministry.

Special note: Heather and I operate our ministry as a nonprofit 501(c) 3 organization under the name Greg Murray Evangelistic Ministries, Inc. Please make checks for the travel expenses and love offering to Greg Murray Evangelistic Ministries, Inc. This allows us to keep our finances in line with IRS requirements as well as making us accountable to our board of directors.
